## OBJECTIVE

---

The objective of this policy is to regulate the use of Petty Cash Float within Abaqulusi Local Municipality and to ensure that in disbursing Petty Cash funds the Municipality is within the ambit of Municipal Finance Management Act (MFMA), 56 of 2003

---

## GENERAL REQUIREMENTS AND OPERATIONS

---

- The petty cash must be approved by the Manager Expenditure and kept by a designate of the Chief Financial Officer (CFO) in the Finance Department who will keep the cash under lock and key of all times. In terms of the Municipality's Supply Chain Management policy under Sub-paragraph 12 (1) (a), purchases from R1 up to R 200 (inclusive of VAT) to be procured using petty cash.
- The submission must be compiled with the recommendation of the Head of Department of the Unit concerned, and then forwarded to the CFO for approval, who will also approve any increase, for whatever reason, in the float of petty cash.
- Authority to recommend and approve submission by the Head of Department and CFO respectively must be delegated in writing and appointment letters must be kept in safe custody for audit purposes.
- Quotation may be requested but not compulsory, it is not compulsory for the selected supplier to be registered in the municipal suppliers' database.
- All submissions regarding the request to utilize petty cash must be forwarded to the CFO **at least one** day before the date in which the petty cash is required. Poor planning will not be a justifiable reason to deviate from this provision.
- No purchases of goods or services may take place before the approval to use petty cash is granted by the Chief Financial Officer or the delegated official, except in the case of urgent and emergencies in which case the Head of Department will have to give

permission to proceed with the transaction. The CFO may make surprise inspections of the petty cash as he/she deems fit to do so, at least quarterly.

- A petty cash requisition form must be used for all petty cash purchases. These forms shall be pre-numbered and recorded accordingly in the petty cash register.

The petty cash requisition form must include the following:

- (i) Reason for petty cash;
  - (ii) Amount requested (not exceeding R 200.00 for each transaction);
  - (iii) Segment;
  - (iv) Person requesting an item; and
  - (v) Authorised by HoD;
  - (vi) Person authorizing (CFO).
- Urgent and emergency cases will be accommodated where immediate action is required to avoid a dangerous or life-threatening situation, misery or want or any other cases which may require immediate action to be taken to proactively avoid a negative impact on service delivery.
  - Restrictions on the value per case may be made by the responsible Managers and Chief Financial Officer in order to exercise control over the usage of petty cash.
  - Original invoices or cash slips must be submitted to the Administrator Creditors office after such purchases have taken place.
  - Failure by any official to submit the invoices or cash slips within the period of 3 days from the date when petty cash was issued (This period will exclude public holidays and weekends that fall within it) will result in such total amount of purchases being recovered from the salary of the requestor. Where slips/invoices have been lost, an affidavit must be obtained.

- No item which is available on contract basis may be purchased by using petty cash except in the case of dire or critical need and the item is not available from the contracted suppliers.
- The Accountant Creditors must submit a monthly reconciliation report to the Manager Expenditure and the Chief Financial Officer, containing the total number and value of petty cash purchases for each month, including the opening balance and closing balance as well as the names of suppliers where goods and services have been purchased.
- Certain types of transactions may be excluded from the petty cash purchases in the case where it is considered necessary to do so e.g. day to day maintenance, stationery, subsistence and travelling claims etc.
- The related low valued items which are required to be purchased repetitively on a daily, weekly and monthly basis may not each time be purchased by means of petty cash. These requirements have to be consolidated, quantified and therefore procured through the normal procurement process, e.g. coffee and milk for boardrooms committee meetings if those items are required on a regular basis.

---

## ARRANGEMENT FOR SUBMISSIONS WITH REGARD TO THE REQUESTS TO UTILISE PETTY CASH

---

All submissions regarding the request to utilize petty cash must be forwarded to the Chief Financial Officer preferably two days before the date on which the petty cash is required. Poor planning will not be justifiable reason to deviate from this provision.

---

## CUSTODY AND SAFEKEEPING OF PETTY CASH

---

The office and the safe where Petty Cash is maintained must always be locked and the keys must be kept in a safe place which is known by the custodian of the petty cash. If petty cash is lost, the official responsible for petty cash will be held liable.

The use of petty cash should be freely accessible by all staff members. The Expenditure staff is the only staff member, authorized, to issue petty cash.

---

## RECONCILIATION OF PETTY CASH

- When the cash in the Petty Cash Float is almost exhausted, the Petty Cash register must be balanced and reconciled by the Accountant Expenditure as follows:
  - i. Counts the Petty Cash money on hand and confirms the monthly closing balance of cash at hand as reflected in the Petty Cash register.
  - ii. Adds up all the receipts submitted as proof of payment and agrees the total to the total reflected in the Petty Cash register.
  - iii. Verifies that the total Petty Cash as at the beginning of the month plus receipts less payments for the month equals the Petty Cash on hand at the end of month.
  - iv. Reconciles the Petty Cash total on hand with the requisition forms, vouchers and other supporting documentation.
- Such reconciliation procedure as stated above should be performed at the end of the month and it should be ensured that the Petty Cash Float balances to the closing ledger balance.
- The Accountant Expenditure responsible for the review of the Petty Cash funds and petty cash register, signs as proof of the review.
